Dear

How nice it was to hear from you and thanks for your congratulations on my new assignment.

Sounds as though you and are leading an idyllic life in upstate New York. There are times when I yearn for that kind of tranquility; as you know, the pace here in Washington is hectic on the slow days.

Thanks, too, for offering your hospitality. Should our travels take us your way, we'll be sure to look you up. In the meantime, all the best to you both.

Yours,

STANSFIELD TURNER
